LIVESTOCK INSURANCE SCHEME – JAMMU & KASHMIR

Introduction: Livestock Insurance scheme has been introduced by the State Government as a part of CSS (NLM) wherein a Household (Husband, wife and dependent children) can insure up to five animals (cows / buffaloes, etc). Individuals above 18 years of age with valid Aadhar number are considered as separate family for the purpose of Livestock Insurance.

Duration: One to three years.

Coverage: Death of the insured animal (due to disease / sickness or accidental) is covered by the scheme immediately after the start of the insurance. Animal theft is not covered under this scheme. Fifteen (15) days cooling period is required for claims arising out of natural death.

Documents required for Livestock Insurance:

1. Clear photograph of the animal in standing position from all sides along with the beneficiary and photo of the animal tag (12 digits bar code).
2. Animal health certificate (issued by the Veterinarian)
3. Aadhar Number of the Beneficiary
4. Premium Amount
5. SC /ST/ BPL certificate (to whom applicable)

Whom to contact: Beneficiaries need to contact their nearest Veterinary Hospital / Bank Branch.

Claim process and documentation required: The body of the deceased animal has to be kept safe for 24 hours for inspection by the investigator. The death should be immediately reported to the nearest Veterinary Surgeon and the Claim center (branch / number). Following documents are required for claim processing:

1. Claim Form
2. Intimation letter to Insurance Co.
3. Ear Tag
4. Post-mortem report (Veterinarian's)
