

## **Rural Back Yard Poultry Development Scheme**

A centrally sponsored programme for poverty alleviation for the benefit of those who are below poverty line (BPL). The families are provided low input technology birds which form a backyard unit and grow on the kitchen wastes

### **Eligibility**

*Below Poverty Line (BPL) families/individuals from the identified/sanctioned areas.*

### **Pattern**

- *Assistance to the tune of Rs.750/- for constructing night shelters for the birds and for equipments like feeders waterers etc.*
- *Birds free of cost at the age of 1 month in three batches of 15 birds each (Total of 45 birds). The beneficiaries thereafter will proliferate the birds by brooding the eggs.*

### **How to apply**

*The eligible individual/families to approach the nearest Veterinary Assistant Surgeon, Block Veterinary Officer, Poultry Extension Officer, Poultry Development Officer or the Chief Animal Husbandry Officer of the concerned District along with proof of being from BPL family.*
