In order to indemnify the poultry farmers of the region against the vagaries of the nature and poultry diseases the Department of Animal Husbandry has facilitated a custom poultry insurance policy for extending risk cover to poultry farmers of the state under the able guidance of Dr Asgar Hassan Samoon (IAS), Principal Secretary to Government, Animal/Sheep Husbandry, Fisheries and Transport.

The salient features of this maiden policy in the state are as follows:-

- The policy covers almost all types of diseases of poultry and hence protects the farmers against the losses on account of outbreak. It also includes losses on account of various accidents / mishaps.
- The annual premium rate for poultry insurance policy is 2.2% of the flock value which can be deposited in the three equal installments.
- The period of the policy will be one year with a minimum coverage of 6 cycles per year.
- Quantum of indemnity at the given premium has been fixed at 85%.

To take full advantage of this policy the farmers need to maintain the essential records of farm like purchase records, feed records, sale records, death records and post mortem records etc.

For further information, the farmers can visit offices of the respective Chief Animal Husbandry Officers / Poultry Development Officers of their respective districts.
